## I have a permit! Why did I get a parking ticket?

Permits are required for all Park use (from short day visits to extended overnight camping trips). If a Park Warden cannot see a valid permit on your vehicle dashboard, a parking ticket is issued for “fail to display (not “fail to have”) permit”. Always remember to **visibly display your permit on your vehicle dashboard when in a provincial park.**

Ontario Parks has won the Gold, Canada Award for Excellence from the National Quality Institute.

The Canada Awards for Excellence is an annual awards program to recognize business excellence in quality, customer service and workplace health. This award highlights Ontario Parks' continuing commitment to providing a quality experience for both staff and visitors through constant review and improvement of our services.

We are proud to be the first parks organization in Canada to receive this honour. We're also committed to our visitors and welcome your comments on ways to improve our services.

# Rules and Regulations for Park Visitors

UNDER THE PROVINCIAL PARKS and Conservation Reserves Act, the registered permit holder is responsible for the conduct of all campsite occupants and could be charged with an offence committed by occupants of the campsite.

This Act and other legislation governing behaviour in provincial parks can be reviewed on the e-laws website at [www.e-laws.gov.on.ca](http://www.e-laws.gov.on.ca)

Within a provincial park, Park Wardens and Conservation Officers have the power and authority of an Ontario Provincial Police (OPP) officer, including the power of arrest, search and seizure. Park Wardens and Conservation Officers are on patrol to: provide information to, and ensure the safety of Park visitors; protect Park resources; and enforce Park rules and regulations to ensure everyone has an enjoyable visit. Depending on the infraction, they may give a warning,

lay charges, arrest, and/or evict persons from the Park.

The following table lists some of the more common laws enforced in Frontenac and other provincial parks. (fines include victim surcharge and court administration fees). This park tabloid is for information purposes only. It is neither a legal document nor a complete collection of the current regulations.

## Buy Some Art . . . Support A Park

THE WORKS OF NOTABLE Canadian artist Robert Bateman, showcasing the best of Canada's natural world, have been painted exclusively for Ontario Parks. And best of all, when you purchase one of these four prints, you are supporting Ontario Parks.

Proceeds from the sale of these prints, illustrating park wildlife (common loon, polar bear, peregrine falcon, and woodland caribou), will support education programs in Ontario Parks. A portion of the funds will also go to the Robert Bateman Get to Know program, aimed at helping young people connect with nature ([www.gettoknow.ca](http://www.gettoknow.ca)).

For \$299.95, you can purchase a set of four matted 11" X 14" prints. Or you can buy them individually for \$79.95. Each print also includes a certificate of authenticity. These works of art are available at participating Ontario Parks stores, select Ontario Travel Information Centres, and online at [OntarioParks.com](http://OntarioParks.com).

Only 5,000 sets have been made available by Mr. Bateman. This is an opportunity not to be missed. You'll be making a contribution to Ontario Parks, while hanging some impressive art on your walls.
